The five-story, 150,000-square-foot San Mateo County office building houses the County Public Works department, Family Support Services, Tax Collector/Treasurer, Assessor-Clerk-Recorder and Controller departments. A single level of 30,000 square feet of below-grade parking connects to the adjacent County Government Center with a new pedestrian tunnel.

The structure, a braced steel frame, is designed to maximum space planning flexibility. A design-build process was utilized to deliver the project to the County.
